

# FEBRUARY

---

*Hello Families!*

*We are off to a great year! Every day our Pink Room babies pick up on a new sign language or a new task they haven't been able to accomplish yet. A few of these task include washing hands, feeding themselves or completeing a Montessori lesson with no help Each one of them are showing how independent they are becoming and we love watching their independence grow. This past month we really enjoyed introducing colors to the Pink Room. We look forward to working on the sign language for each color more this month.*

*Since Valentine's Day is this month we will have a theme in our room of love and friendship. We are going to introduce the sign language for "friend" and "share". (See attached page for sign language we work on daily as well as our new ones.) Everyday we encourage the Pink Room babies to share with our friends and be loving and kind towards each other.*

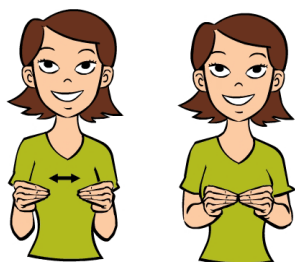

*The Pink Room will be having a Valentine's Day party on the 14<sup>th</sup>. We will be sending fun Valentine's bags home. Please send cards to pass out addressed from your child, we will be using them as a counting lesson. (There are 11 babies in our room. )*

*If you have any questions or concerns feel free to reach out!*

*Thank you!*
