

Dear Parents

It's beginning to "look a lot like Christmas" in the White Class. It's an exciting time of year and the children are enjoying making special crafts and decorations.

We are beginning our fourth month of Montessori lessons. It continues to be the highlight of our day. It's so rewarding to see how much the children are learning.

We are learning so many new things, more sign language, nursery rhymes, fun songs with hand motions and using our imagination during play.

This month we will have a fun Christmas party that will be on Friday December 20th. We will also be getting our pictures taken with Santa!

Happy Holidays!

Ms. Dorothy and Ms. Victoria
