

White Class April Newsletter

News

Spring is here! White Class has loved taking advantage of these warmer days! Please remember to dress your little accordingly since we are not able to change them in the afternoons. If you have any questions, feel free to call us.

We had so much fun working on St. Patrick's Day crafts and spring crafts. Your little has improved so much throughout this year with crafting. We are so proud of all the hard work they have accomplished this year. Ms. Kaitlin and I cannot wait to see what they do this month.

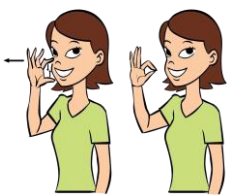

Lessons

This month we will be introducing new spring themed shape, color, and transfer lessons. Your little loves learning new lessons! We will continue to work on our ABCs, counting, and signing our colors. We will be introducing 3 new animal signs this month. They caught on to our first 2 last month quickly. We are so excited to show them more!
