PEEK AT THE WEEK

This week we will be learning about Earth Day. Earth Day helps raise awareness of the importance of protecting the environment by taking part in activities like picking up litter, recycling and planting trees, so we can make our world a happier, healthier place to live.

It's that time of year again, where the sun is shining and we are applying sunscreen daily after naptime. If there is a specific type of sunscreen (sensitive skin etc.) you want us to use on your child then please bring it from home, with their name on it. Otherwise we are happy to provide it.
